

Resume

Yunjae Park

To be the best team, I will do my best member.

Age : 39 **Mobile :** 010-7648-8770

e-mail : icodedecoi@gmail.com

● JOB OBJECTIVE - NVIDIA DLI Instructor

- **SUMMARY**
 - AI and Data analysis Instructor (cobslab)
 - AI Embedded engineer and researcher(Hurom)
 - Working on biomedical engineering researcher(National Cancer Center)
 - Master's degree from Hanyang University
 - Served as a field service engineer and sales support(EDAP T.M.S KOREA)

● EDUCATION

03. 2012–02.2014 – AI Electronics and computer engineering at Hanyang University graduate school, Seoul, Korea(GPA 4.0/4.5)

- **SKILLS**
 - Biomedical engineering Certificate (December,2008)
 - Information Processing Certificate (June,2008)
 - Language : Korean(native), demonstrable written and spoken in English

● EXPERIENCE

04.2024~ Present - AI and Data analysis Instructor, cobslab

:Tensorflow and Pytorch, Deeplearning and AI

05.2021~ Present - AI and Data analysis Instructor, playsoft academy

:Embedded control, Robotic, AI IoT control

04.2016~ Present - Senior Researcher and Team manager, Embeded Tech engineering branch,
Hurom

:Computervision, AI IoT control, robotic control

08.2010-04.2016 - Researcher, Biomedical engineering branch, National Cancer Center

: Medical image process, Biomechanics analysis, AI, IoT control (C/C++, Matlab)

06.2010-03.2012 - Freelancer engineer (E.S.W.L)

10.2008-06.2010 - Field service engineer and Technical sales (EDAP T.M.S KOREA)

: Technician(C-arm x-ray, Ultrasound, E.S.W.L, HIFU)
